1995

- Start Manufactured **Wire Saw Machine** for Mining

1997

- Start Manufactured **Block Dressing Machine** for Marble Processing Plants

1998

- Start Manufactured **Gantry Crane** for Marble Processing Plants

1999

- Start Manufactured **Derrick Crane** for Marble Mining

2000

- Start Manufactured **Marble Gangsaw** for Marble Processing Plants

2003

- **Export Commenced** of Stone Processing Machineries

2012

- Start Manufactured **Multiwire Gangsaw (16 Wires)** for Marble/Granite Processing Plants

2017

- Start Manufactured **Multiwire Gangsaw (20 Wires)** for Marble/Granite Processing Plants

2018

- Start Manufactured **Block Dressing Machine** for Granite Processing Plants

2019

- Start Manufactured **Automatic Line Polisher**

2020

- Start Manufactured **Multiwire Gangsaw (12 Wires)** for Marble/Granite Processing Plants

2021

- Start Manufactured **Multiwire Gangsaw (22 Wires)** for Marble/Granite Processing Plants

2023

- Start Manufactured **CNC Profile Machine** for Marble/Granite Processing Plants

2026

- Start Manufactured **Multiwire for Thick Slabs**

VISION

L N Engineering is having vision for being number 1 company providing state-of-the-art technology especially in Wire Engineering division.

Working consistently on innovations keep it ahead with respect to Stone Processing Technology machines manufacturers.

The company is being supportive in all terms of innovations, indigenous and customized products & machineries for augmenting BHARTIYA STONE INDUSTRY number 1 globally.

MISSION

The company strives for excellency with respect to provide state-of-the-art Stone Processing Machineries / Technologies globally.

GOAL

LN ENGINEERING here stands with clear and aesthetic vision for it's position at number 1 globally with respect to Stone Processing Machine Manufacturers in next 5 years.

PLANT

- LATHE HMT
- BORING SWEDON MADE
- PLANNER HEAVY DUTY
- DRILL MACHINE
- SHAPER
- PAINT SHOP

TEAM

- The manufacturing plant runs by skilled & experienced engineers, planners, fabricators & work force.
- Each term of quality testing go through with an intense testing parameters and standards that stand LN as ACCURACY MASTER in Stone Processing & Mining Technology Manufacturing.
- LN Group always strives to give the most innovative machines that could enhance the production capacity of any stone & processing & mining company.
